1. GENERAL PROFILE & ABOUT US

ABOUT JUAKALI FRIENDS CBO

Welcome to Juakali Friends Community Based Organization (CBO), a progressive, community-driven initiative located in Mathare 4A. Proudly uniting a growing network of 47 active members, our organization is dedicated to fostering financial empowerment, mutual support, and sustainable social-economic transformation within our community.

OUR HISTORY AND JOURNEY

Juakali Friends CBO was born out of a shared reality and organic fellowship. We began as a group of very young community members who regularly gathered together during football match discussions. Through these everyday conversations, we realized the deep, common financial hardships facing our peers—such as struggling to pay house rents and meeting basic life necessities.

Driven by solidarity, we decided to act. We established a structured pool where members could contribute funds to directly support needy individuals within our circle. Initially, we relied on a collective M-Pesa account to accumulate savings and distribute support at the end of each month.

As our impact grew, so did our numbers. To manage our expanding membership transparently and securely, we recognized the urgent need to transition from manual record-keeping to robust digital operations. Today, we are modernizing our operations through hybrid physical and digital registration platforms while expanding our safety nets to include welfare services, member savings, chama points, and comprehensive last expense insurance coverage.
